

Summer Reading

Read, Renew, Repeat

June 1 – August 15

Go wild at the Library because the Summer Reading Program is back!

We invite readers of all ages to celebrate sustainability and conservation with this year's theme: "Read, Renew, Repeat."

Children from birth through 5th grade can set their own daily reading goals and earn prizes when they reach that goal 12 times. Those who fill their entire reading logs can head over to Naperville Public Library to pick out their final prize: a brand-new book to keep. They'll also be entered into our grand prize giveaway!
